Save Lives: Help Bring
Clean Water To This
African Village

Gift Donation Cards

Gifts that will keep on giving - You can give a Gift of Life

Use these cards to make contributions in the name of and to the honor of others. The contributions will help to build a clean-water system for the people of Kunya, a village region in western Kenya.

Now, women and children spend hours each day walking to Lake Victoria to carry gallons of polluted water home. The contamination in the water causes many diseases which kill hundreds each year. The clean-water system will prolong those hundreds of lives every year, and it will reduce the risks to the women and girls who fetch water for their families. Your contributions with these gift cards are truly Gifts of Life.

Each \$25 gift will provide a lifetime of clean water for three people!

Placing an Order for Gift Cards:

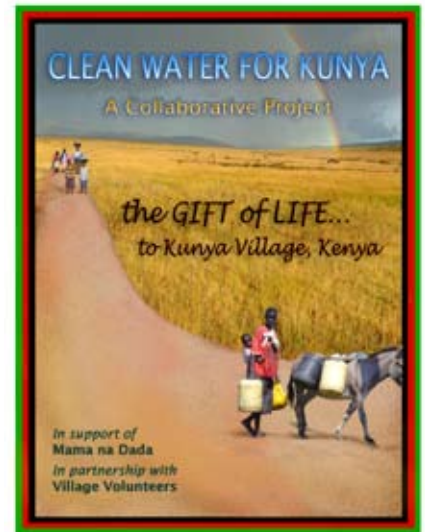

Print and Fill out the form below;
Minimum donation per card is \$25. (US)

Mail the form with a check for payment of the total amount to:

Friends of Kunya
PO Box 2967
Friday Harbor, WA 98250

A tax deduction receipt will be mailed to you along with your colorful gift card(s) and envelope(s).

100% of all funds will go to the project (no overhead costs!)
